We therefore suggest that you ask your news dealer to reserve you a copy of your favorite comics, just to make sure he isn't all sold out when you get to the stand. HARD WAY—SKY WAY

BY JIMM ROBINSON

"LOOK at this news! Bat-field' Deavers Military Prep will give a course in flying this year!" Jon (Smiley) Jonson, ranch bookkeeper, held the newspaper aloft and grinned down at the old ranch-hand leaning against the corral. "Just what I been hoping would happen. Bat! Must be one of the first prep schools in the Southwest to give a regular school course in flying. And the age limit just fits me. It's open to any student 16 or [illegible]."

The cowhand [illegible] Bat took the paper [illegible] Jon's thrusting hands and [illegible] to read the [illegible] the paper and then [illegible] the newsheet [illegible] Jon again. "Yuh know dad-blamed well I can't read! I'll take your word for it, Smiley. [illegible] any nation to ever get off the ground [illegible] up [illegible] flesh. Y[illegible] Bat-field cost a weather [illegible] up at a lone cooling buzzard. It isn't natural, [illegible] It [illegible] natural!"

Jon [illegible] the [illegible] about. "Boy! If I could [illegible] that prize money, [illegible] the Western R[illegible] I can [illegible] Y[illegible] Bat!"

"Sure [illegible] Bat. It's big time [illegible] but I've got [illegible] enter. It's the only way I know to get money in time to start at Deavers Prep. There's no law says anyone sixteen [illegible] enter, is there? Bat? No. An' [illegible] the [illegible] I'm goin' in."

"Where yuh push [illegible] out thatawa[illegible] Smiley, [illegible] there's no use talkin' [illegible] Bat, sez' remembrashes both [illegible] was [illegible] Dadd[illegible] Dad[illegible] Yuh aren't gotta [illegible] Smiley. Stick [illegible]."

Jon Smiley Jonson [illegible] of the [illegible] morning [illegible] on the buckle of [illegible] some[illegible]. He [illegible] notice of [illegible] flying [illegible] of the Scandal. At Albuquerque Herald. He [illegible] grinned. He [illegible] dropping [illegible] and [illegible] ing [illegible] around, started [illegible] camp [illegible] a [illegible] corral.

He [illegible] that [illegible] ing [illegible] long Mexican [illegible] Old Buck [illegible] once [illegible] caught [illegible] demand [illegible]

BUT JON [illegible] not exactly a [illegible] now with a sprained wrist. They say General George Washington [illegible] growth when he was [illegible]. So had Jon. Six-two and a rugged one-seventy. He had not an [illegible] for [illegible]. He knew cattle and store-house bookkeeping and he rated $40 a month and found, the [illegible] any punther.

His Dad [illegible] had-gone, to pay his old debt and [illegible] has [illegible] cent of it because Jon [illegible] what he Dad [illegible] have wanted. He'd rare [illegible] even [illegible] but [illegible] could [illegible] it would be [illegible]. He had [illegible] dawn hops a bus from Oa[illegible] the Bo[illegible] P[illegible] Oakie had even let him [illegible] for a [illegible] 'upstairs'.

Bat[illegible] hum around Jon's [illegible] tried to cheer up [illegible] be short-lived in time. S[illegible] of Utah City two [illegible] Sure. [illegible] The [illegible] tangle [illegible]

[illegible]

[illegible] head bowed. [illegible] tight. But [illegible] grimaced as a stab [illegible] up [illegible] and [illegible] oak-hard shou[illegible]. The brute was turned loose at the head, the high [illegible] gate [illegible] wide at the same instant and Jon [illegible] in a st[illegible] unfitness as the brute [illegible] the arena.

[illegible] pounded [illegible] thumb into his hat [illegible] the Stetson wave [illegible] bounced. He held the [illegible] head forward with his [illegible] pressed his powerful [illegible] against the heaving ribs [illegible] excited Montana wild [illegible].

At the twenty second mark [illegible] nearly spi[illegible]. He swayed [illegible] dangerously but his sturdy [illegible] correct again [illegible] the timer's gun boomed [illegible] above the clamor of the applauding [illegible]. Two [illegible] ran up along side. One [illegible] his mount closely [illegible] the other bore in and [illegible] grabbed the hat [illegible].

The [illegible] bronc pu[illegible] the unusual attempt [illegible] Jon had [illegible] but he had put on a good [illegible]. Jon disappointed [illegible] the [illegible] horse men took over the [illegible]. He grinned, thinking of the ten points that ride had [illegible]. Top score.

BATTLEFIELD, squeeching [illegible] between the rails [illegible] to meet Jon as [illegible] back along the side [illegible] "Great [illegible] felle[illegible] the wrist and thumb!" The Bat's tough leather face [illegible] concern.

[illegible] were Bat. The one [illegible]. But I guess she hold up for one more event.

"Good. You're right, Smiley. Jon [illegible] the [illegible] dogging left" Hat-front tents poured down over his [illegible] as the [illegible] never top money sun. What [illegible] Southe? Get yuh a [illegible] saddle.

"Wait [illegible] I [illegible]. But Jon held the [illegible] higher so the blood would [illegible] run down into it and get it pounding with pain. "There's Sam Whiting, Bert Comstock and Mort Strasinger still" up [illegible]. Any one of [illegible] would [illegible].

"Yeah. Smiley [illegible] of 'em has best yuh at bull-dogg[illegible] boy. Let's go back under the stand and find us that hay pile. Yuh need [illegible] sleep some."

Jon automatically a cowg[illegible] neckerchief left handed [illegible] ducked swift [illegible] to avoid two [illegible] he [illegible] crowding [illegible] way toward [illegible]. He [illegible] Bat [illegible] the stands and stretched out on [illegible] straw. [illegible] agreement had stand[illegible].

Jon must have [illegible] there was good [illegible] Bat [illegible] "C'mon [illegible] Second call for the final heat. [illegible] yuh only gets [illegible]. Take em, see."

[illegible] wrenching out of one [illegible] [illegible] of another. The doggie [illegible] and [illegible] upward [illegible] down the [illegible] the oval arena. Yellow dust [illegible] as his churning hooves [illegible] flapping wide and [illegible]. Old Bat [illegible] the gap between [illegible] and the [illegible] bawling bull. He [illegible] huge [illegible] dogging [illegible] and [illegible] Jon [illegible] up [illegible] then the [illegible] a ton. How [illegible] laughing [illegible] four-footed trouble on [illegible].

Jon [illegible] Old Bat [illegible] way are far [illegible]. He flung his powerful [illegible] hands. The animal's terrific [illegible] dragged him thirty [illegible] before he slowed enough for Jon to reach around and up to grab his [illegible] tossing horns. On the first twist to bring the bull to [illegible] knees and then impotently upon his side, Jon's injured [illegible] gave way. It became utterly useless.

The [illegible] followed as Jon's [illegible] and bawled and bellowed. But Jon had [illegible] flying, a [illegible] further off the ground, to [illegible]. He [illegible] to the threatening horns [illegible] head. Round and [illegible] the powerful animal dragged Jon in a [illegible] of [illegible] dust. Jon's [illegible] arm was worse than use[illegible]. It was [illegible]. The [illegible] pawing and cut it serv[illegible]. Blood [illegible] mingled with the dust.

[illegible] the [illegible] gun ended the unequal struggle. The [illegible] up and [illegible] hoops. Jon [illegible] lungs fighting [illegible] a bull's neck so his now [illegible] Jon, [illegible] just one [illegible] Mort [illegible] could have [illegible] he had been a cowboy.

[illegible] later [illegible] Ridgers announced the first [illegible] Jon [illegible] Jonson had won [illegible] money. The youngest contestant ever [illegible] practically [illegible]. He [illegible] way but [illegible] easy.

But even after the first [illegible] week at Dave[illegible] Jon [illegible] Bat [illegible] longing [illegible] "It [illegible] natural, Smiley. It just isn't natural."

The [illegible] badger had [illegible] granted when Jon had asked [illegible] "were natural", so go around roping calfs by [illegible]. Bat had said, "You've spent enough time [illegible] the [illegible] roping [illegible] by [illegible]" but there had been a [illegible] glint in his eye, and Jon remembered it now. Happy.
